

Last week: Jesus came to make the unacceptable acceptable

Jesus has come to establish His reign and rule in the hearts and minds of those who follow Him.

3 Truths for today:

1. Jesus doesn't fit into your life, He calls you to fit your life to Him.
2. Your lifestyle and behavior reveals who Jesus is to you
3. Traditions and customs may come and go, but the truth of the Gospel never changes.

3 Questions for Application:

1. Are our traditions and customs reflecting the Christ and His gospel, or are they reflecting our cultural or generational preferences?
2. Are you trying to fit Jesus into your life rather than fitting your life to Him?
3. What does your lifestyle and behavior say about Jesus?

Jesus has come to establish His reign and rule in the hearts and minds of those who follow Him.
